Alexandria, VA 22313-1450

PETITION FOR REPRINT OF FRONT PAGE OF ISSUED PATENT

Dear Sir/Madam:

Upon reviewing the ribbon copy of the patent, the undersigned noted the significant terms "CATALYST COMPOSITION AND" were omitted from the title. The correct title for the subject patent is as follows:

The title should read: --CATALYST COMPOSITION AND METHOD FOR OXIDIZING MIXTURES--

Applicant hereby petitions the Commissioner for Patents to reprint the front page of U.S. Patent No. 6,776,606, issued on August 17, 2004, to correct this error by the United States Patent and Trademark Office. In addition to the Patent Office's error on the title, we also note an error on our part by naming Emissions Technology, LLC as an assignee on form PTOL-85 dated 06/18/2004. Emissions Technology, LLC is not the assignee of this patent and was incorrectly listed as assignee through a clerical error. There should be no assignee listed on the front page of the patent. Please remove the assignee portion of the front page

I HEREBY CERTIFY THAT THE CORRESPONDENCE TO WHICH THIS STATEMENT IS AFFIXED IS BEING DEPOSITED WITH THE UNITED STATES POSTAL SERVICE, POSTAGE PAID, AS FIRST CLASS MAIL IN AN ENVELOPE ADDRESSED TO THE COMMISSIONER OF PATENTS AND TRADEMARKS, ALEXANDRIA, VA, 22313-1450

ON: August 30, 2004

SIGNED:

Heather Clark

Patent No.: 6,776,606

Since the error for which a reprint of the front page is sought was a result of a Patent and Trademark Office mistake as well as our mistake, we request that the Patent Office reprint the front page of the patent with both corrections free of charge.

If it is determined that a petition fee must be paid for this request, you are hereby authorized to charge Deposit Account No. 19-0513 for any fee that may be due with said request.

Respectfully submitted,

Date: August 30, 2004

Kenneth C. Booth
Attorney for Applicant
